

## Section one:

Supporting communication (listening and speaking), personal, emotional, and social development

### “Listen, listen, what do you hear? Sounds all around, some far, some near.”

#### Listen!

**What sounds can you hear around your school/ nursery/ home?**

What can you hear outside?

What can you hear inside?

**What is the furthest away sound you can hear?**

Can you hear traffic?

Can you hear birds?

Can you hear the wind in trees?

People talking / shouting / laughing?

**What the closest thing you can hear?**

Can you hear your breathing?

**What sounds do you like?**

Are there Happy/ Scary / Exciting / Sleepy sounds?

**Can you feel the vibrations in different parts of your body?**

Put your hand gently on your chest / throat / tummy and say your name.

Try low sounds and high sounds

**I hear with my little ear...Guess the sound**

Using the flashcards (at the back of the pack)

Can your partner guess what the picture is by the sounds you make?

Can you think of any more?

**Extension – make the sound challenge! Watch our video on [fibbertigibbettheatre.co.uk/projects/babble](http://fibbertigibbettheatre.co.uk/projects/babble)  
Be inspired & try your own. Have fun!**
