Hello!

Dear Nursery / Parent / Carer

Thank you for being part of **BAbble**
We would like to keep the conversations going.

This pack contains some suggestions of follow-up activities
to support the children in their continued exploration of sound-making!

These can be played one-to-one or in larger groups, to encourage discussion, play
and celebration of all your voices.

It is written to support Early Learning goals as part of Early Years Statutory
Framework from Department of Education.

We would also like to celebrate your own creativity and would love for you to share
the amazing work you do to support children exploring sounds and voices.

Please go to Flibbertigibbet Theatre's Facebook page.

Thank you!
